

R315. Environmental Quality, Solid and Hazardous Waste.

R315-318. Permit by Rule.

R315-318-1. General Requirements.

(1) Any facility that disposes of solid waste, including incinerators, may be permitted by rule upon application to the Executive Secretary if the Executive Secretary determines the facility is regulated by Federal or state agencies which have regulations or rules as stringent as, or more stringent than, Rules R315-301 through R315-320.

(2) No permit by rule may be granted to a facility that began receiving waste after July 15, 1993 without application to the Executive Secretary.

(3) Any facility permitted by rule is not required to obtain a permit ~~[or comply with any other provisions of Rules R315-301 through R315-320 except where operation of the facility may endanger]~~ as required by Subsection R315-301-5(1) and Subsection R315-310-1(1) but may be required to follow operational practices, as determined by the Executive Secretary, to minimize any risk to human health or the environment ~~[-or otherwise violate the provisions of the Solid and Hazardous Waste Act]~~.

(4) In no case may a facility operating under a permit by rule approved by the Executive Secretary conduct disposal operations that are in violation of the Utah Solid and Hazardous Waste Act or Rules R315-301 through R315-320.

(5) The Executive Secretary may revoke the permit by rule of any facility that is found to be endangering human health or the environment.

Allows the Executive Secretary to require and facility permitted by rule to follow the solid waste rules and the Solid and hazardous Waste Act and revoke permit by rule.

KEY: solid waste management, waste disposal
